SPORTS PREMIUM SPENDING PLAN 2024 – 2025

'Learning to make the world a better place'

SPORTS PREMIUM SPENDING PLAN 2024 – 2025

This document shows our spending plan for the Sports Premium Grant for the 2024 – 2025 academic year.

Grant due to receive - £21,680

What is the Sports Premium?
The Government has provided funding to schools to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

We are required to publish details of how we spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment.

We use these 5 key indicators to demonstrate an improvement in the provision we provide for the teaching of P.E. in our school:

Category	Indicators
1	The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school
2	The profile of PE and sport being raised across the school as a tool for whole school improvement
3	Increased confidence, knowledge and skills of all staff in teaching PE and sport
4	Broader experience of a range of sports and activities offered to all pupils
5	Increased participation in competitive sport
SC	Swimming Competence

In 2024 – 2025, we plan to use the Sports Premium Grant to fund a range of activities and resources for children to enhance Physical Education at Collis Primary School.

Key Indicator	School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact: Review Sep 2025	Sustainability and suggested next steps:
1	To ensure maximum activity for children during break and lunchtimes.
