Collis Sports Premium 2015-2016

Finance

In March 2013, the Government launched its PE and Sport funding which commenced in September 2013. The funding is focused to achieve the following results:

- Preserve the Olympic and Paralympic legacy while developing school sport; and
- Develop an enjoyment of sport and physical activity, while promoting a healthy lifestyle in children from an early age.

The funding is ring fenced and may be spent in the following ways:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE;
- Supporting and engaging the least active children through new or additional Change4Life sport clubs;
- Paying for professional development opportunities in PE/sport (including providing cover to release teachers);
- Running sports competitions, or increasing participation in the School Games;
- Providing places for pupils in after school and holiday sport clubs; and
- Pooling funding together with other primary schools.

The school has received the following funding per academic year.

2013/14	£10,795
2014/15	£10,835
2015/16	£6,326 year to date

We anticipate the same level of income in 2015/16.

Strategies

At Collis we strive to effectively use the Sports Grant to raise the profile and outcomes for children in P.E., Sport and physical activity across the school. In order to achieve this we will:

Employ a specialist sports coach in school	To further train and develop our staff. This will involve working together with class teachers developing their practice by modelling lessons, team teaching and joint planning.
Fund PE clubs to promote greater uptake and range of activity	To ensure the children are able to participate and to give children the opportunity to experience new and challenging activities.
Involve ourselves in Richmond School Sports Partnership	Taking part in the local secondary cluster training and competitions based at Teddington School.
Purchase PE Equipment and kit	Purchase specialist equipment
Run Zumba workshops for Reception	To promote the importance of active lifestyles and to aim to get at least 20% of the children in reception to join a weekly extra-curricular club
Provide additional staffing for competitions	Providing cover for PE co-ordinator and other staff so that pupils can take part in inter-school competitions and matches during the school day.
Join sporting organisations	E.G., Youth Sport trust, Schools Tennis Foundation

Impact

Impact of funding from 2014/215

- Collis has been awarded the Sainsbury's School Games Gold Mark for the first time.
- Increased PE participation including after school and lunchtime clubs.
- Increased participation in intra and inter school PE competition.
