	Situations vacant • Treasurer (job share required prior to next AGM Feb 2018) • Secretary • Licencing • DVD sales/management	Send a list of the vacant roles to all class reps
1	Football & Netball event (6 May 2017). Suggestion to increase the voluntary donation and provide more activities for the children at the event Recruit the Yr6 kids	
2	School Parent Fund, request to the school to make sure that this fund is clearly identified as separate than the CSA activity. The CSA is in place to create a school community and fun events for the children and this is different to the school fund that is about to be launched. Concern raised about a recent news article and the loss of 5 teachers (equates to £220k)	Frances to contact school to differentiate between the parent fund and the CSA
