Joe Wicks

Joe Wicks is also known as 'the body coach.' He is a fitness coach and an author who has written many healthy eating cook books. He also used to live in Richmond! During lockdown he was famous for his PE sessions with Joe!

Sticky Knowledge

Fruits are grown from plants.

Yoghurt is made from milk.

Yoghurt and milk can also be plant based.

Fruit grows on a tree or plant that contains seeds and can be eaten as food, blended with juice, milk or yoghurt to create a smoothie.

Fruit smoothies are a healthier choice than biscuits and cakes because they are high in vitamins.
