Grammar, Reading &Writing

When saying 'est-il?' (it is) a hyphen is used and the 't' is pronounced as it is next to a vowel.

When saying time in French you say the hour first and then the minutes.
il est deux heures dix = it is 10 past 2

In French 'moins' is used instead of 'to'.
Il est deux heures moins dix = it is 10 minutes to 2 o'clock

Children can read the time in French and match it to the correct clock.

Children can use 'Il est' to write what time it is.
