5		Huge Problem like fire, flood or earthquake.
4		Very Big Problem needing special help like an ambulance or doctor (broken arm, car accident).
3		Big Problem needing an adult to help (a safety issue or a problem with another person you have tried to solve, but you need more help).
2		Little Problem that I can solve by myself (pencil needs to be sharpened, my friend is absent).
1		This problem is so small, I just need to let it go I wasn't first. I didn't win the game.
