Collis Primary School Council Meeting Minutes
Date: Friday, 11th October 2024
Chair: Mr Hogston

Attendees:

- Mr Tim (Chef from Pabulum Catering)
- Collis School Council Pupils

What we talked about:
We had a meeting to discuss school lunches and how we can make them better for everyone. The questions we asked were designed to be polite but also challenging, so that our catering company, Pabulum, could hear directly from us about what's working well and what needs improving. This helps them make changes that will improve our school meals.

Questions from pupils:

- **Max (Year 6):** Can we have bigger fish instead of fish fingers?
- **Danny (Year 5):** Can we have bigger portions?
- **Twisha (Year 5):** Can we have more variety in the meals?
- **Finlay (Year 5):** Can we try different types of chips, like skinny chips or wedges?
- **Penny (Year 4):** Can there be jelly for people with allergies, and can we have more jelly?
- **Rory (Year 3):** Can we have more different kinds of food?
- **Jenny (Year 6):** There aren't enough options for children with allergies. The seasoning on the roast dinners is a problem.
- **Rush (Year 5):** Could we have a special treat day now and again?
- **Edward (Year 3):** I sometimes want the vegetarian option, but it's not always available.
- **Darcy (Year 5):** Could we have different flavours of ice cream and different types of bread?
- **Max (Year 6):** Could we make sure the burger buns aren't soggy?
