LONDON BOROUGH OF RICHMOND UPON THAMES

23 November 2023

Dear Residents, Businesses and School Communities,

Collis Primary School –School Street Proposal

The council has been discussing the potential for a School Street with Collis Primary School.

We are writing to invite you to join us on Thursday 30th November 2023 between 16:30 and 18:30 at Collis Primary School on Fairfax Road to give us your views on traffic issues around the school. Come and get involved in helping us shape a plan for the local area.

This drop-in session will form part of the initial discussion around a potential School Street scheme and other concerns residents might have. All feedback will be analysed and fed into a proposal drafted by engineers and presented in a formal consultation in early 2024. If supported, the council aims to launch a trial scheme in the 2024 Summer term and reopen consultation for 6 months while the scheme is live.

Please see our website for further information about School Streets

Yours faithfully,
