Dear Parents and Carers

CLASS ORGANISATION 2023/24

I am pleased to share the new class organisation with you for the coming year. This morning the children have met their new class teacher(s) as part of the transition process. The children in 5W will meet their teacher later in the week.

We have some members of staff leaving us at the end of term. Many are taking up new challenges at different schools, while others are retiring or pursuing a change from teaching.
In addition to the newsletter staffing updates, we have the following staff leaving at the end of term. Julie Warries is retiring after working at Collis for an incredible 44 years. Rebecca Frost has taken up a music post at Wimbledon High School. Helen Kelsey has taken a position at St Mary's, Bex Hubbard is moving to Newland House while Sue Keegan, Charlotte Fennell and Claire Pead are pursuing other interests. Sandy Hardman is retiring after many years of dedicated service to our EY department. Sarah Storey has secured a promotion running a group of nurseries in Surrey. Joely Dowling and Bryony Fraser are starting their maternity leave at the end of term.
Finally we congratulate Elaine McCormick who has qualified as a teacher and has taken up her first post at St Andrews & St Marks in Surbiton.
We thank them all for their dedication and contribution to the school and wish them every success in the future.

We are pleased to welcome our new members of staff who will officially join Collis in September. We are delighted that we have recruited a number of experienced and talented staff particularly when recruitment is such a challenge for schools. Our new teachers joined us for today's transition morning and enjoyed meeting their new classes. There will be further opportunities for them to get to know Collis ready for the start of term in September.

Class Structures - All year groups will be three-form entry from September with the exception of Year 6, which is four form.

Please find below the new class organisation for 2023/24

Yours faithfully

K J. Hogston.
