Events highlights 2024-25

Summer Fair and Circus Feedback

- Raised over £4500.
- Circus sold over 551 tickets.
- Big shout out to the core team members, it really was a fabulous team.
- It worked really well each person overseeing a few different areas, it meant we were free to move around the event help where needed.
- Volunteers remain a challenge - we ended up cancelling three activities. And due to very last minute signups we were oversubscribed on some stalls.
- Which leads me to my next point - do we have too many events placing demands on parents. Do we consider canceling the Christmas fair as it's so close to fireworks - but then make the other events bigger to offset the revenue lost.
- Re-look at the site map, concentrate all activities on the field to maximize foot traffic to all stalls.
- Liaise with other school to make sure the summer events are not on the same day.
- Reconsider some activities, external vendors and food.

Outstanding Event Feedback

- Amazing (extended CSA) team effort in short timing!
- New / celebratory features
- Everyone owning their 'area'
- Decent set up time in MUGA
- Consistent signage for stalls
- Site map & pre-briefing of Victor & Raul
- Jumping for Joy feature! (plus agility with Bouncy Castle!)
- Not fund-raising event as objective was CELEBRATION
- Dominance of Ice Cream Van / 30 min queue!
- Better plan for kids at CATS/after school clubs to join event

Easter End of Term event feedback

- This was a great new addition to our calendar. Great sales for an event of just one hour.
- Very positive feedback from parents and children, they loved the Easter Trail.
- First event that we invited teachers to and they enjoyed it very much.
