June 2024

Dear Collis Parents and Carers,

I am delighted to share that our swimming lessons have got off to a fantastic start. The children are thoroughly enjoying their lessons and are making excellent progress!

However, the sustainability of our swimming pool relies heavily on the generous support of our community through voluntary donations. As energy and maintenance expenses continue to rise, these contributions are crucial in ensuring that we can maintain access to these valuable swimming facilities for our pupils.

In late March, we contacted parents to request donations towards the 2024 swimming season. To remind you, the suggested donation is £50, though any amount is greatly appreciated. The children will benefit from 12 weeks of swimming this year, which equates to just over £4 per week per child.

Currently, 29% of parents have donated.

We are extremely grateful to those parents who have already contributed. For those of you who have yet to donate this season, it is not too late! Please remember that all donations are optional, and no child will be excluded from participating if their parents or carers cannot or choose not to contribute.

Donations can be made via ParentMail. Thank you once again for your generous support, and we wish your children happy swimming!

Best regards,

K Hogston.

Parent/Carer Survey Feedback

We want to thank you once again for completing our parent/ carer survey for this year. Your feedback is invaluable in ensuring Collis continues to be the best it can for our pupils to learn and grow. As set out in our previous letter in which we shared the results with you, we informed you we

would be reflecting on our areas of refinement within the newsletter each week. This week we are looking at behaviour at Collis.

Collis makes sure its pupils are well behaved

This year 82% of parents feel that Collis makes sure their children are well behaved. This percentage is down from 86% last year and with 11% of parents feeling they don't know about behaviour. At Collis we closely monitor behaviour every term. Overall the number of behaviour incidents have reduced from the autumn term up to the current summer term this year. This is in part due to the introduction and expansion of our OPAL provision. Incidents at break and lunch have significantly reduced and there has also been a reduction in incidents on the field at lunch time.

A small number of parents felt that they are hearing about behaviour incidents happening at Collis more often than last year. In September we introduced an updated behaviour policy, which does not tolerate any low-level behaviour with our yellow and green cards - so where incidents may appear to have gone up, it's due to our change in methodology – we have high expectations. We report everything and communicating to parents is an important part of our system so that parents are informed. We delivered 3 whole school assemblies throughout the Spring term addressing behaviour with the children to reiterate that at Collis we do not use physical force during play or at any point at school, the play team have lead an assembly focused around 'care' and our new playground charter. We zone the outside areas so we can ensure all areas are monitored and adults wear high visibility jackets so they can be clearly identified to children.

The majority of behaviour incidents are for low-level behaviour compared to the incidents recorded for physical and verbal which is extremely low and rarely happens at Collis. Again, testament to our new behaviour policy and continued high standards of behaviour – repeated low-level behaviour is not tolerated and is recorded consistently.

Attached below you can find our playground charter and poster on our behaviour system. You can also find our behaviour policy linked on our website here.

Collis School's Approach to Excellent Behaviour
4Bs – Be Responsible / Be Respectful / Be Safe / Be a Learner
• Our top priority is to keep children safe.
• At Collis we have high expectations and clear boundaries for behaviour.
• We are committed to fostering intrinsic behaviour, where children are motivated by praise, feedback, the joy of learning, and self-discipline, not by material incentives.
• Children are taught to respect each other, including authority.
• We uphold fair and consistent systems for sanctions, ensuring a school of confident, tolerant, socially developed pupils.
Several Times On Purpose
STOP
Start Telling Other People
Our Rewards
• Whole class rewards – regular and targeted
• Fair and consistent
• BLP and Good Sports Cups
• Verbal and written feedback
• Smiles and Praise
Reflection
• Using zones of regulation to support behaviour
• Restorative conversations
• Time to reflect on what happened and next steps
• Use of de-escalation strategies
Our Sanctions
• Green Card – 'Think about it'
• Yellow Card – 'Time out'
• Advice from staff
• Nonverbal gestures
• Clear policy linked to the 4Bs
• We are a TELLING school
• We have zero tolerance to bullying which is addressed immediately
• Outdoor Play and Learning (OPAL) is important to us
• Our policy is backed up by research
• We believe that if you behave well you learn well
• We treat everyone equally
• We carefully report, monitor the pupil's behaviour and act where necessary
• We encourage Positive Behaviour

Administration Assistant role at Collis

Collis Primary School Newsletter - Job Vacancy Announcement

We are excited to announce an opportunity to join our vibrant School Office team as an Administration Assistant, starting from September 2024. This position is essential to our front desk and communication operations, offering a warm and welcoming face to our school community. We are seeking an enthusiastic and committed candidate to fill this vital role. Detailed information about the post is available on Eteach here.

Name That Chicken!

1 - The chickens in today's assembly

Have you got an eggs-cellent name? Cluck your heels together, it’s Fry-day and in Mr Hogston's assembly today, he introduced you to some of the chickens (and a cockerel) we have in the Nature Area.

We need your help in naming them and we have great eggs-pectations from you.

Please complete this form to submit your ideas: This form

Best of cluck!

For inspiration, the rest of the brood are named: Liquorice, Bon-bon, Coco, Tina, Saffi, Forget-me-not, Bluebell, Lady Gaga.

Year 6 on a Theatre Trip to see 'Wicked'

Yr 6 'WICKED' trip on Wednesday 12th June

Yr 6 went on an exciting trip to the West-End on 12th June to watch the show WICKED. We set off on the train from Teddington and all the children were very excited. As we got to Victoria, we could see the theatre (and the excitement grew). We walked into a green auditorium and a massive map, showing the "Land of Oz" and the "Emerald city" in the middle. When the show began, everyone's eyes were fixated on the stage to see the incredible acting, singing and dancing. One of the main highlights was seeing the iconic "Defying Gravity" scene - it was amazing. The show, in itself, was brilliant and here are some quotes from the children:

"I could not believe how good the singing was"

"There were these really cool monkeys. They did not say anything, but they still had a big impact on the show"

"It was funny, captivating and inspiring. It has made me want to go and practise our end-of-year production now"

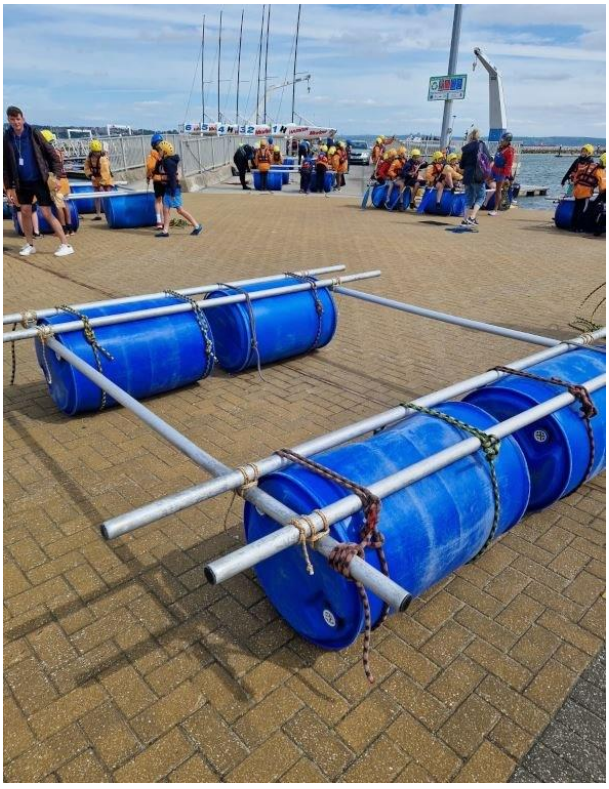

"I cannot believe how amazing the stage was. There were so many different sets and they were all very extravagant"

Hopefully, this will be a memory that will live with the children forever.

Yr 6 on School Journey

Year 6 have been enjoying some lovely weather and some great activities down in Osmington Bay. See some of their activities pictured. We welcome them all home today - approximately 5pm but updates will be sent to families.

Rodrigo's Football Success

Rodrigo (6T) has just returned from a World Cup (football) in Turin, Italy. Academy teams from more than 40 countries participated. The event took place at the famous Juventus home stadium Allianz and football legends like David Sergio Trezeguot came to congratulate and inspire new talents.

The World Cup lasted for almost a week: from the 10th to 14th of June. Rodrigo is a goalkeeper for Juventus London Academy. Even though he is only 11 years old, he already plays with a year older boys and is showing great results. He has been dedicating himself to football professionally for only 9 months and already he has won his first trophy in his first season, and represented England in the World Cup! Well done Rodrigo!

Attendance Matters

Collis Subject Focus - French

At Collis, we recognise the invaluable educational, social, and cultural enrichment that learning a foreign language, particularly French, provides. Our curriculum is thoughtfully designed to foster curiosity, communication skills, a global perspective, self-esteem, and a lifelong foundation for language learning. By the end of Key Stage 2 (KS2), our pupils are equipped to engage in conversations, read and write simple texts, understand language structures, and appreciate French-speaking cultures. Our broad and balanced curriculum, tailored to individual abilities and development, ensures a comprehensive learning experience. We employ a central planning approach for the French curriculum, facilitating skill progression, and utilize resources like Early Start Languages and online tools to support our teachers. Our lessons are interactive, engaging, and

inclusive, with a strong emphasis on practical application and cultural appreciation. Through various activities and assessments, we celebrate our students' progress and achievements. At Collis, we are committed to continually enhancing our teaching methodologies and assessment practices to ensure the best possible learning outcomes for our pupils. more info

SEND Parent Survey reminder

In line with our vision for SEND, we work in partnership with parents to meet the needs of our children. Feedback from you is very important to this process.

As part of this, parents of children on the SEND Register should have received an email asking for you to complete a few short questions regarding our provision for SEND in Collis. We would be really

grateful if you could take the time to complete it. It will be open until Monday 1st July at 1pm. Please let us know if you have any questions about this.

QUOTE OF THE WEEK

Podcast of the week - Ireland's phone-free town

Greystones made global headlines a year ago when, concerned by rising anxiety levels among their pupils, the headteachers from all the primary schools in the town invited parents to sign a voluntary pact or code; not to buy their child a smartphone before they moved up to secondary school. In Ireland that's usually at age 12. Beth McLeod talks to teachers, pupils and parents about their reaction to the initiative. Has there been any backlash? At one of the town's secondary schools she meets an assistant headteacher who is passionately demanding a culture change around phone use for older students too, warning parents that although they think they are giving their children access to the internet, they are really giving the internet access to their children. She speaks to teenagers about their views on what is the right age to be on social media and asks the Irish Health Minister what the government is doing to hold tech companies to account. link to Podcast

CSA - JUNE UPDATE

COLLIS SCHOOL ASSOCIATION

CSA DATES FOR YOUR DIARY:

Reception Uniform Sale *moves from 1st July to 20th June* - before and after reception curriculum meeting

CSA meeting *moves from 8th July to 19th July* - at 9am in the Colliseum Hall.

CSA Charity Cake Sale: Thursday 11th July after school

How to get involved with the CSA - top tip #4 - Corporate charitable matching

Following on from last week's tip about Give As You Earn (GAYE), your employer may be able to match your monetary donation if they have a Charitable Giving Policy. In some cases your employer could MATCH TIME as well as money so this is a great way to provide for the school in an easy way. You can download this letter from the CSA if requested by your employer. Thank you so much for your support!

Introducing Classlist

You may be aware that we have been piloting the parent portal Classlist over the last few months. We are now ready to roll it out to the wider parent and carer community. This two minute demo video provides a handy overview of the key features. We hope this will build a stronger and more connected parent community across school as well as improving CSA communications and streamlining our work.

Parents of new starters will receive a pre-approved invite email shortly. Everyone else will receive the email in September. You can then decide whether to join and what data you would like to share. If you don't wish to receive this invitation please let us by the end of this term by emailing csa.teddington@gmail.com. More information is available at www.classlist.com including the Privacy Notice, which explains how personal information is managed and protected.

If you can't wait, you can also join Classlist immediately here!

More information about the benefits of Classlist and responses to pilot feedback can be found in the June 2024 CSA update found in this week's newsletter .

CSA Vacancies

We have a number of open roles to fill and we'd love you to get involved. Your support and time will make a HUGE difference and help raise lots of funds for the school too! Please see what's available and signup if you can. Thank you

Recent events

What went well/could be done better:

- Uniform sale – Clothes racks working well, last year's income already exceeded this year.
- Bounce-a-thon – Funding target met, lots of volunteering support – thank you! In future volunteers in school time must have DBS checks and more guidance should be issued on using Classlist for volunteer signups and donations/ticket sales.
- Picnic Party - Cancelled due to damage to OPAL equipment at last year's event. Several alternative ideas suggested which we are exploring for next year.

Upcoming events

June	
20th	Reception uniform sale
July	
11th	Charity cake sale
19th	CSA meeting 9am

Event in Focus: Bounce-a-thon

- On 17th May our children bounced their socks off to raise funds for a new play mound.
- You smashed our fundraising target by raising £5,031.06 (excluding gift aid)!
- The majority of the funds will go towards the new mound, while £500 will contribute towards the shortfall in funding for the Year 6 Wicked trip (as they won't benefit from the mound).
- **Thank you** to the organisers, volunteers, staff, jumpers and donators - what a fab team effort!
- Design and location options will now be explored with the children. Watch this space!

Introducing Classlist

We will shortly be introducing the parent portal Classlist to the Collis parent and carer community. This two minute demo video provides a handy overview of the key features.

We hope this will build a stronger, safer and more inclusive parent community across school as well as improving CSA communications and streamlining our fundraising work.

Making parents' lives easier:

- Never miss an important school memo or event
- Manage alerts and notifications
- Identify local friends for playdates or car shares
- Marketplace - buy and sell locally, find lost property
- Coordinate your child's parties with ease
- Meet and connect with like-minded parents
- GDPR compliant - you are in control of your information

Classlist

Classlist | Why are we making this change?

- **Helping connect parents** - Feedback suggests that parents want the CSA to have a bigger focus on building a sense of community in our school. Classlist will enable greater connection of parents, including across year groups and classes, in a GDPR compliant and secure way. It will also help to overcome the difficulties of setting up new WhatsApp groups.
- **Range of tools for the CSA (and parents) all in one place** - Classlist will enable us to streamline CSA communications and consolidate cashless ticket sales, RSVP tracking, volunteer sign ups and event reminders. This should make organising activities simpler and less reliant on the school. Parents can also use Classlist's event and messaging tools to organise birthday parties and playdates, particularly helpful for newer starters.
- **Making the job of being a Class Rep easier** - The CSA and Class Reps can post directly to the whole school community rather than requiring Reps to repost messages into individual class WhatsApp groups. This leaves Reps freer to focus on class specific matters.

Classlist | Responses to feedback

- **It is not compulsory to sign up to Classlist or download the app** -
  - Tickets purchases and donations can be made through a 'guest checkout' page
  - Volunteer sign ups will still be possible by sending an email as well as via Classlist
  - Key CSA comms will continue to be shared in the newsletter and via Parentmail
  - Class Reps can continue to share CSA comms via WhatsApp if they wish to do so
- **Classes can continue to use WhatsApp groups** - We don't intend for Classlist to replace existing WhatsApp groups, although CSA related traffic is likely to reduce in WhatsApp over the longer term.
- **Users have full control over Classlist notifications** - Notification options include via app, email (including a weekly digest) or not at all. Users can also use the desktop site rather than the app.
- **Step-by-step instructions will be issued** - We appreciate that Classlist is not intuitive for everyone. Future comms which require users to interact with Classlist will include step-by-step instructions.
- **Classlist is funded by adverts which some might find annoying** - However the ad-free version would cost over £3,000 per annum, money we feel would be better spent on the school.

Classlist | What happens next?

- **We have been piloting Classlist over the last six months** - We're now ready to roll out it out. Parents of reception and nursery new starters will receive a pre-approved invite shortly.
- **Everyone else will receive a pre-approved email invite in September** - You can then decide whether to join and what data you would like to share. If you don't wish to receive this invitation please let us by the end of this term by emailing csa.teddington@gmail.com. More info including the Classlist Privacy Notice can be found here.
- **Want to join Classlist immediately?** No problem! Just click here and wait to be approved.
- **Once signed up, take a look around** - Don't forget to set your notification preferences!
- **Bear with us!** - We will be in a transition period while we get used to working with Classlist. We are very open to feedback to help us make it work for OUR school community.
- **Still have questions?** Check out the Classlist website or get in touch with the CSA on collis.school.association@gmail.com.
