Help Us Go Even Further – Support the Collis Parents School Fund

Dear Collis Parents and Carers,

At Collis, we're proud of the rich, engaging learning environment we offer – and that's thanks in large part to you, our incredible parent community. This year, we were thrilled to be recognised as Outstanding by Ofsted – a reflection of the exceptional teaching, resources, and support that make Collis such a special place for our children to learn and grow.

Over the past year, your generous contributions to the **Collis Parents School Fund** have made a real and lasting impact. With your support, we've been able to provide:

- **7 brand new 65" interactive screens**, transforming classroom teaching
- **New desktop PCs and laptops**, boosting access to technology across the school
- **Specialist phonics resources**, supporting our youngest learners in Early Years and KS1
- **Percussion instruments**, enriching music lessons for every year group
- ● **Reading diaries for every child**, building daily literacy habits

These enhancements simply wouldn't be possible through school funding alone. That's why we are once again asking families to consider making a voluntary donation.

Our Ask: £80 per child (or whatever you can give)

Every contribution, big or small, makes a real difference. If you're able to donate and haven't yet done so, now is the perfect time to support the year ahead. Your donations help keep Collis thriving – ensuring our children continue to learn, explore and grow in a vibrant, well-equipped environment.

All contributions are voluntary and no parent or child will be penalised for not contributing. Expenditure from the Fund is approved by the Collis Parents School Fund trustees. The Fund continues to be:

- Held separately from the School's main accounts
- A registered charity
- Separate from the CSA
- Separate from, and in addition to, the requests that come from teaching staff for voluntary contributions for trips or activities
- Entirely voluntary and completely confidential

How to Donate

Donating is easy and confidential. You can give through:

- **ParentMail -** open the App and click on top left payments, shop
- **Bank Transfer** (Collis Parents School Fund, Account Number: 52649423, Sort Code: 60-21-17) Please complete and return the Gift Aid declaration if applicable.
- **Payroll Giving / Give As You Earn**
- **InvestMyCommunity –** an easy online method to make either monthly donations or a lump sum payment.

Please see the attached information sheets for further information.

We know everyone's circumstances are different – but if you can contribute, please do. Your support keeps Collis special. Thank you for everything you do for our school – whether through donations, volunteering, or cheering from the side-lines.

Warm regards,

The Collis Governing Body
